Are you looking for summer camps in the Milwaukee area? We welcome kids as young as three years old to join us at the club this summer for three months of sports, games, fitness, and of course fun! Elite Sports Clubs offers a traditional summer day camp for school-age kids or a Petite Elite Camp, which is a half-day camp for pre-school-age kids.

For the older kids looking for more responsibility this summer check out our Senior Camp and Junior Counselor programs. Not to mention our Specialty Camps and Tennis Camp that emphasize a particular awesome theme. Weekly sessions are easy to fit into your family's busy summer schedule. So, choose what works best for you!

Scamp days are packed with activity! Whether it's games or sports, outside or indoors, every child has an opportunity to participate in their favorite activities, as well as explore new ones. Weekly themes and field trips are scheduled throughout the summer. This program gives children special opportunities to express themselves, connect with their peers, go on adventures together, and most importantly have fun!

First Swing Tennis Camp is the perfect introduction to tennis for beginner players who want to learn the game in a fun, supportive environment. This non-competitive program focuses on the basics—footwork, movement, volleys, and serves—through engaging drills and interactive games. Beyond tennis, campers will still enjoy the best parts of a camp week, including outdoor free swim, crafts, team-building activities, and plenty of time for fun with friends. With a balance of skill development and classic camp traditions, kids will have a blast both on and off the court.
