

PETITE ELITE

PHILOSOPHY We have created an educational Petite Elite program based on the needs of children. We offer a developmentally appropriate setting and curriculum to encourage a positive unique learning experience.

A safe, nurturing, structured environment is provided while children learn the readiness skills needed for kindergarten. A balance of teacher directed and child directed activities are provided by degreed teachers, as well as, swimming instructors and fitness instructors.

We believe an emphasis on self-esteem is important and accomplished through enthusiasm, positive reinforcement and redirection. Each child learns at their own pace. We believe parent communication is key to ensuring each child's goals are accurately defined.

CURRICULUM The curriculum for the Petite Elite class is based on a kindergarten readiness list with theme based lessons plans each week. The lessons are designed to encourage all stages of development; social, intellectual, physical and emotional growth. Experiences will foster progress with reading and writing readiness, general knowledge about self and world, math and science skills, speaking and listening skills, large and fine motor skills and social skills. Lesson planning offers a broad range of activities throughout the club to help children reach these goals naturally with the help of qualified dedicated instructors. Building self-esteem and confidence is another major goal for

all children. The children will learn how to participate in a group and express thoughts and feelings. Parents will be kept informed of their child's progress through daily in-person communication, as well as monthly calendars.

Children will learn how to write with our easy to learn curriculum called "Handwriting Without Tears." This active teaching method makes handwriting mastery joyful for students and teachers.

AGE APPROPRIATE CURRICULUM

Age appropriate programs are designed exclusively for elite children, non-members are also welcome. Children must meet birth date requirements, but need not be potty trained to enroll.

FOCUS Our goal is to create a safe, stimulating atmosphere conducive to fostering your child's intellectual, social, emotional and physical development. Our active approach to learning is supported through purposeful play and teacher facilitated activities. Our unique facility allows us to provide a place for children to develop a healthy and happy lifestyle through physical fitness and learning, thus enabling them to develop to their fullest potential.

PETITE ELITE EDUCATORS

Monica Warren, B.S.

Petite Elite Director

Monica Warren has a B.S. in Health Promotion and Wellness with emphasis in adventure based education coupled with child/family, from UW-Stevens Point. Past experience with children include YMCA camp director/counselor and climbing instructor during her college summers. She has two years experience teaching physical education at St. Anthony's in Milwaukee. Monica has enjoyed working in Petite Elite for 16 years, as well as various club programs. Monica teaches in both the 3 and 4 year old classes, as well as enrichment. She lives in Brookfield with her husband Michael and their four children.

Christine Ratajczyk, B.A.

Christine received her bachelors in Elementary Education from Carthage College in 2001. She has spent ten years as a classroom teacher and three years as a reading specialist, most recently in the Menomonee Falls school district. Christine lives in Elm Grove with her husband and four children. She began teaching here at Petite Elite last year in the K4 classroom, she loves working with the preschool age as they learn, explore and being their academic journey. In her free time, she enjoys spending time with her family, traveling and cooking.

Katey Miller, B.S.

Katey received her Bachelors degree in Middle Childhood-Early Adolescence Education from UW-Milwaukee in 2005. Katey currently lives in Brookfield with her husband and two boys. Prior to being a stay-at-home mom, she taught Kindergarten at Bruce Guadalupe Community school. Katey began working in the Petite Elite program this past year, teaching in both the 3 and 4 year classes. She has her own photography business and enjoys documenting life with her own kiddos as well. She also enjoys downhill skiing and treasures summer road trips up North to spend time with family.
