- FAMILY BOOTCAMP:** This class will take you through alternating strength and cardio stations that everyone in your family can do. You'll use your own bodyweight to push yourself through the cardio stations—think jumping jacks, burpees, mountain climbers, and more! You'll use compound movements to work through the strength stations. Weights will be available for participants 14 and older.
- FAMILY TENNIS:** No experience needed, lots of games and activities to introduce tennis, but most importantly to make it fun.

With several activities no longer being available, many kids have been affected, not just physically but mentally as well. This will be a fun way to get your kids moving and off their phones and video games.
- TRICK-OR-TREAT:** Drop your child off to go trick or treating around Elite! Kids can come in costume and bring their trick or treat bag, we will also make a spooky craft!
