You will be assigned a time slot to play and guaranteed at least 12 games minimum if not much more! Snacks and drinks will be provided and the top winners will move on to the championship round.

TEEN FITNESS SOCIAL: Exercise and staying active is obviously a huge benefit to our overall physical and mental health. We all had a challenging year, especially our youth. With several activities no longer being available, many kids have been affected, not just physically but mentally as well. This will be a fun way to get your kids moving and off their phones and video games.
