Carnivals, Happy Hours, Cooking Classes, Flick & Float

Kids Programs
Elite has lessons and progressions for kids of all ages and abilities. We use the USTA red, orange and green ball progression to help tailor the experience to their age, size and ability. By kid-sizing the equipment (balls, racquet, and net height) and modifying play components, kids can quickly develop tennis skills such as rallying.

Kids 11 and up can participate in two tracks: our Junior Program which consists of 85% of our juniors, will lead juniors to become good all-around tennis players for life. Our Invitational Program trains juniors for top varsity play and give them opportunities for Division I, II, or III collegiate tennis. There are also a wide range of competitive and social opportunities for our junior tennis players of all abilities, including pizza & play, high school doubles, middle school matchplay, challenge ladder, USTA tournaments and more!

For more information about all of these opportunities, check out our website eliteclubs.com/tennis and to get your child involved, please contact Tennis@eliteclubs.com.
With ten saltwater pools or whirlpools across three of our locations, Elite Sports Clubs has plenty of pool space to fit your needs year-round. Elite Sports Clubs was the first privately owned commercial business in Wisconsin to offer saltwater systems in all pools: saltwater pools minimize the use of harmful chemicals, are less abrasive on the skin, hair, and swimsuits, have no chlorine smell, and naturally clean better than liquid chlorine. We invite you and your family to take advantage of the many aquatics opportunities available.

Lap lanes may be reserved via the member portal and may be used for anything such as swimming, water walking or private lessons!

**Lessons**

Elite Clubs offer children’s swim lessons, starting with our parent & child program for children from 6 months to 3 years, Red Cross group swim lessons, as well as private lessons, our swim club and teams.

For adults, we offer private lessons for any needs from learning to swim to triathlon training as well as aqua personal training sessions. Adults may also take advantage of our pools for our great water aerobics classes. These free classes offer a great low-impact workout with cardio and toning. Take a look at our class schedule for class days, times, and class descriptions.

**Events**

Elite members also enjoy a variety of social programming around our pools, including happy hours, socials, flick & floats and more. Private parties can be arranged as well!
